New Hope Celebrates 105 Years with Special Wednesday Worship Services, more....

Pastor Jerry Young Reaffirmed President of NBCUSA, Inc.

Pastor Jerry Young addressed the delegates of the National Baptist Convention, USA, Inc. during the group's Annual Session in New Orleans, LA. Officially reaffirmed as the president for the next five years (2020-2024), he was unopposed for the position.

Dr. Jerry Young, president of the National Baptist Convention, USA, since September 2014,

continues to lead the organization as he begins a second term. He had no opponent for the seat, and was reaffirmed president at the organization's annual convention in New Orleans in early September. Pastor Young, New Hope's leader for almost 40 years, has spearheaded several initiatives to help move the organization forward in meeting the needs of its more than 33,000 churches worldwide. Among the most recent initiatives is a credit card through Liberty Bank, an African American owned financial institution. Plans to establish a credit union in the near future are also in the works.

SERVING GOD AND THE CHURCH: *The Deacon Ministry serves God and the church under the direction of, and in partnership with, Pastor Jerry Young. Deacons assist with communion service and baptisms, and also administer the church's benevolent fund. Their biggest role is keeping in touch with the needs of individual church members. With the support of the Deaconess Ministry, deacons seek to reach out to every member of the New Hope Family. If you do not know who your deacon is or have not met him, please contact the church office at 601.366.7002. Please note that changes such as address, phone numbers, or marital status should be reported to the church office immediately so that communication with you is not hindered. We want to stay in touch with you!*

FITNESS at the HOPE

Sunday Stretching

Keep your stress levels in check! Join us on Sundays at 4:00 p.m. for a time of stretching and meditation. The classes are held in the Family Life Center chapel, located on the second floor. Please bring a mat and prepare to be on the floor exercising. Modest work-out attire is recommended.

This infographic from the Centers for Disease Control compares consumer fast food consumption today to that of the 1950s. Today's much bigger portions (double those of the 1950s), coupled with less exercise, negatively impact both health and overall physical wellbeing.

Go Pink Sunday observed again in October! *Breast Cancer, Domestic Violence awareness emphasized*

October is *Breast Cancer and Domestic Violence Awareness Month*. To heighten the awareness of breast cancer, New Hope has designated the second Sunday in October as **"Go Pink!" Sunday**. Members are asked to wear pink clothing or accessories, and the Health Ministry will distribute pink ribbons to worshippers on the special Sunday. Members are also encouraged to wear purple clothing and/or accessories throughout October, in observance of Domestic Violence Awareness.

New Senior Adult Bible Study on Tuesdays

Participation in a new special Bible Study class for seniors (50 and older) continues to grow. The special class meets at 10 a.m. on three Tuesdays each month, leaving the second Tuesday for the regular Senior Ministry gathering. New Hope members 50 years and older are welcome to attend both events. For more information contact Outreach Coordinator Sis. Isabella Evans, at 601-366-7002 or ievans@newhope-baptist.org or Christian Education Director Sis. Jacqueline Mack.

Shoebox Gifts: Show God's love to Children the World Over

New Hope Baptist Church is preparing to sponsor its annual Shoebox Gifts drive for needy children throughout the world. The special colorful red, green and white boxes will arrive at the church and should be available for pick-up around the middle of October. Reaching out to help children in other parts of the world helps change the world. You can help brighten the world of a child by purchasing items to fit in the specially designed shoeboxes, to be shipped overseas. The project is through Samaritan's Purse, a nondenominational evangelical Christian organization providing spiritual and physical aid to hurting people around the world, with the main objective of promoting the Gospel of the Lord Jesus Christ (www.samaritanaspurse.org). Contact Sis. Isabella Evans, Outreach Coordinator, at 601-366-7002 or ievans@newhope-baptist.org for more information.
